

# Winter Operations in Midland

## What order are roads plowed in?

We follow the province's Minimum Maintenance Standards (MMS) which puts **priority roads** first to maintain public safety. After priority routes are clear, crews begin the **secondary roads**.

- **Priority Roads** include emergency routes, school zones and business areas.
- **Secondary roads** include residential and rural roads.

Find more details at [midland.ca/mms](http://midland.ca/mms).

## Can I use parks and trails during the Winter?

During winter all trails, playgrounds, sports fields and courts are **closed**. This is to keep our residents and visitors safe, as well as ensure the longevity of recreational spaces.

Enjoy winter activities by visiting the North Simcoe Sports and Recreation Centre for skating and hockey. See [midland.ca/NSSRC](http://midland.ca/NSSRC) for details.

## Significant Weather Events - What happens?

A **Significant Weather Event** may be declared when current or forecasted conditions pose a serious risk to users of roads and sidewalks. While snow is falling, the roads and sidewalks will never be completely clear and crews continue to work around the clock. Remember, a significant weather event is **not** a declaration of an emergency. Stay informed by subscribing to [midland.ca/subscribe](http://midland.ca/subscribe).

## Where's my plow?

When there is snow falling, rest assured our plows are ready to go. Curious to see when a plow will be working on certain streets or sidewalks? Check out Midland's plow tracker, [midland.ca/wheresmyplow](http://midland.ca/wheresmyplow).

## Who plows what?

**Town of Midland:** Assumed Town roads, sidewalks and municipal parking lots, that is over 270 kms of roads and 130 kms of sidewalks!

**County of Simcoe:** County roads including; Balm Beach Road and County Road 93.

**Ministry of Transportation:** A portion of County Road 93 and Highway 12.

## What can I do if I have concerns?

Contact our Customer Service for issues regarding high snow banks, lawn damage, or any other maintenance concerns.

Report online, call, email, or visit the Town hall. Our helpful staff will be able to support you with any other inquiries.
